Your Contribution to Our Responsible Vulnerability Disclosure Program

Dear Kishan Shah,

Thank you for your valuable contribution to Hornetsecurity's responsible vulnerability disclosure program. Your report detailing one Cross Side Scripting (XSS) vulnerability within our Websafe 1.0 service significantly helped us address and mitigate this vulnerability quickly, enhancing the security of our services for all customers.

We appreciate the time and expertise you dedicated to discovering, documenting, and reporting this vulnerability. Should you identify any other potential issues in the future, we would welcome any further reports from you.

Best regards,

Olaf Petry
Chief Information Security Officer
